

# UF College of Dentistry **Biosafety** **Annual Training**

Deadline: **July 13, 2018**

## **Biosafety Training**

### Bloodborne Pathogen (BBP) & Biomedical Waste (BMW)

If you completed this course number (EHS850D) in 2018, you have already satisfied the requirement and you don't need to retake it. If you have not yet taken this course in 2018, you will need to complete the course before the July 13, 2018 deadline.

This training is required annually for all faculty, staff and students who provide patient care or have contact with human blood. If you aren't sure whether you have to take the training, check with Stephanie Scrambling; her contact info is below.

## **Instructions:**

- Go to **MyUFL** and log in using your Gatorlink username and password.  
Under the Main Menu, select **My Self Service**.  
Select **Training and Development**.  
Select **myTraining**.
- In the search window, search for course number **EHS850D (BBP/BMW Training for College of Dentistry)**.  
The presentation is in sections. You will need to watch each video completely and then answer the related questions before moving on to the next section. At the end of the video sections, there is a final quiz to test what you've learned.
- If you believe you have taken this training recently, you can check in **MyUFL**.  
Under the Main Menu, select **My Self Service**.  
Select **Training and Development**.  
Select **myTraining**.  
This takes you to the SumTotal training page, on the left is a menu that includes **Training Transcript**.  
If you have taken the training, you should see it listed here.

## **Helpful hints:**

- Please make sure that you have the most up-to-date version of your browser.
- You may download the presentation to your desktop to use as a reference if needed before next year's training.
- Having **technical difficulties**? Please call the Help Desk at 352-392-HELP (or 352-392-4357).
